Presidents Report 2008/2009

Dear Members,

On behalf of the Board of Directors it is my pleasure to present the Annual Report for the 2008/09 year.

The club has once again had an excellent year with nett operations profit being of strong figures and the balance sheet has shown that our profits reflect our commitment to members comfort.

The club has renovated the office to a more suitable work area and the glass window has proven to be successful addition to the clubs overall atmosphere.

The club recently introduced new promotions with the Hamperrific Promotion and Jag the Joker for the entertainment of members and their guests; we are still in a healthy financial position to continually offer all our other weekly events.

As part of the clubs social responsibility to the general community our donations to local charities, organisations and sporting associations has increased and hope that funds have helped to maintain all that the town has to offer.

May I take this opportunity to thank all who are involved with the club; as there are too many to go through; you know who you are and appreciate each and every one of you.

In closing, I thank all members for the support and patronage of your club and our commitment to future prosperity.

Cheers

JOHN BANCROFT

ABN 17 001 028 002
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE, 2009

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES.

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report is for BINGARA RETURNED SERVICEMEN'S CLUB LIMITED as an individual company, incorporated and domiciled in Australia. BINGARA RETURNED SERVICEMEN'S CLUB LIMITED is a company limited by guarantee.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

Reporting Basis and Conventions:-

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Accounting Policies

a) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Grant revenue is recognised in the income statement when it is controlled. When there are conditions attached to grant revenue relating to the use of those grants for specific purposes it is recognised in the balance sheet as a liability until such conditions are met or services provided.

Donations are recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

b) Inventories

Inventories are measured at the lower of cost and current replacement cost.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH JUNE, 2009

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES(Continued)

c) Property, Plant & Equipment

Each class of property, plant & equipment is carried at cost or fair values less, where applicable, accumulated depreciation and impairment losses.

Property

Freehold land and buildings are shown at their fair value, based on periodic, but at least triennial valuations by external independent valuers, less subsequent depreciation for buildings.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the re-valued amount of the asset.

Freehold land and buildings that have been contributed at no cost or for nominal cost are valued at the fair value of the asset at the date it is acquired.

Plant & Equipment/Poker Machines/Furniture & Fittings

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal.

Increases in carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same classes of asset's are charged against fair value reserves directly in equity, all other decreases are charged to the income statement. Each year the difference between depreciation based on the re-valued carrying amount of the asset charged to the income statement and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated on a straight-line basis over their useful lives to the economic entity commencing from the time the asset is held ready for use.

The depreciation Rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	5%
Plant & Equipment	10%
Poker Machines	30%
Furniture & Fittings	15%

Asset classes carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the

carrying amount. These gains or losses are included in the income statement. When re-valued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES(Continued)

d) Financial Instruments

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Financial assets at fair value through the income statement

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at cost.

e) Impairment of Assets

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Income Statement.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the company would, if deprived of the asset, replace its remaining future economic benefits, value in use is depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an asset class, the company estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

f) Employees Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to Balance Sheet date. Employee benefits to be settled within one year together with benefits arising from wages which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related costs. Other employee benefits payable later than one year have been measured at the net present value.

Contributions are made by the Club to an employee superannuation fund and are charged as expenses when incurred.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the Cash flow Statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

i) Income Tax

Provision has been made in the accounts for income tax expense based on the principle of mutuality whereby the company's liability for tax is related to the proportion of non member income as calculated in accordance with a special formula laid down by the Taxation Department.

j) Economic Dependence

BINGARA RETURNED SERVICEMEN'S LIMITED is dependent on the current economic climates to continue to remain in business.

10. FINANCIAL INSTRUMENTS

a) Financial Risk Management

The company's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and payable.

The company does not have any derivative instruments at 30th June, 2009.

b) Interest Rate Risk

The company's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and financial liabilities, is as follows:-

	Weighted Average Interest Rate	Floating Interest Rate		Fixed Interest Rate Maturity Within 1 Year		Mature within 1 - 2 years		Non-Interest Bearing

c) Net Fair Values

The net fair values of listed investments have been valued at the quoted market bid price at balance date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form other than listed investments.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the balance sheet and in the notes to the financial statements.

Aggregate net fair values and carrying amounts of financial assets are financial liabilities at balance date.

**AUDITORS REPORT TO THE MEMBERS
OF
BINGARA RETURNED SERVICEMEN'S CLUB LIMITED
ABN 17 001 028 002**

REPORTING ON THE FINANCIAL REPORT

I have audited the financial statements set out on pages 6 to 29 of BINGARA RETURNED SERVICEMEN'S CLUB LIMITED the company, which comprises the balance sheet as at 30th June, 2009 and the income statement, statement of recognised income and expenditure and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the director's declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. The responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Club's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the Corporations Act 2001. I confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of BINGARA RETURNED SERVICEMEN'S CLUB LIMITED on 19th October, 2009, would be in the same terms if provided to the directors as at the date of this auditor's report.

Auditor's Opinion

In my opinion, the financial report presents fairly, in all material respects, the financial position of the BINGARA RETURNED SERVICEMEN'S CLUB LIMITED as at 30th June, 2009, and its financial performance and cash flows for the year then ended in accordance with the Corporations Act 2001 and the Australian Standards (including Australian Accounting Interpretations).
