

*Join local author Ron Irlam  
in the launch his latest book  
at the Bingara Library*

Monday 11th February 2013 at 6.30pm

Light refreshments provided

Meet the author and have your copy of the book personally signed by Ron

This book provides a fascinating insight into the development of our National Capital through the lives of people, including the author, who grew up there during those formative years and highlights some very impressive careers.

This is a timely publication as 2013 is the Canberra Centenary year.
